	Contact Us

In this example, we have added the words 'Contact Us' to a list of links. Now we need to create a link between the words 'Contact Us' and the Contact Us page.

1. Using the left hand panel, select the words 'Contact Us'.

2. Now click on the 'Make a Link' icon in the Editor.

3. A new popup field will open.

- 4. Click on the 'Settings wheel
- 5. ... and another popup window will appear. All the pages within the web site are included here. Click on the 'Contact Us' page.
