4. Now you are in the Elementor page. Click on where you want to make the edit.

To save the edit, click on the green 'Update' button.

When it changes to grey, this confirms you have made the save.

7. To leave the page, clip on the hamburger icon as indicated below.

8. Then click on the blue button as indicated.

Hints: You can make an edit using either 1 of 3 available WYSIWYG editors.
