6. Now to add your video. First, click on the red bar at the right hand end. All your widgets will return.

= elementor	
	_

7. Click on the 'Video' widget and drag it into the blue rectangle area.

- 8 A sample video will now load. To have you own video replace it, paste your video URL into the 'Link' field on the LHS of the screen.
 - Video

Source	YouTube	•
Link		
https://www.youtube.com/watch?v=XHOmBV4js_E		0)))
Start Time		

- 9 Just above the link, check the 'source' of your video choose eitherYouTube or Vimeo. All other default fields here do not need to be changed.
- 10 Your video will now be displayed on the RHS of the screen.
- 11 (OPTIONAL) If you wish to add a caption underneath the video, then scroll down to the bottom of your video until you see the two coloured buttons.

12 Click on the red button and a matrix of column icons will be displayed. Click on the first one.

13 A blue bordered rectangle area will appear above. This is where your caption will be displayed shortly.
